II. Essay Questions (20% each)

1. Greta Thunberg has been selected as the youngest individual Time Person of the Year (2019). Time magazine also entitles her "the power of the youth". She is a Swedish environmental activist on climate change, and her campaign has gained international recognition. She is young and influential. Please address your thoughts about "the power of the youth" and how it may influence the world today.
2. Paris Agreement is to deal with global warming. However, there are many debates about choosing between environmental protection and economic growth. For example, the Trump administration (U.S.A.) delivered an official notice to the United Nations that the U.S. intends to withdraw from the Paris Agreement in 2017. Please express your thoughts about the challenges between environmental protection and economic growth.
